EDITOR'S ETCHINGS

Hello everyone

We didn't see you last month as Tom was able to fix the brakes in our caravan and we escaped down to near Canterbury for a few days of walking, eating cake and drinking local beer - a perfect getaway!

Thanks go to Malcolm for an excellent Autumn Leaves Run ending with a yummy Sunday Roast at The Plough. We were very pleased to see Pilgrim ale on the bar, hardly any beer miles at all!

A little entertainment! The Times has an article every day detailing an entry from the issue exactly 100 years ago that day and this one caught my eye. I actually got to drive my own MG briefly on Sunday, but I think Tom would rather I was one of those who prefer to be a passenger, and I really must go shopping for an attractive coat suitable for motoring!

From The Times, October 19, 1924

The Motor Show at Olympia is having its effect on the windows of the West End, which all abound in appeals to the woman owner-driver or to the more numerous class who prefer the pleasures of being a passenger.

Bradleys, Chepstow Place, are making a feature this week of many attractive coats suitable for motoring. They are finding that the demand for fur-lined coats has increased in the most extraordinary way, and their large workrooms have been kept busy in carrying out increasing orders for these in various fabrics and furs. They are showing well-tailored plain tweeds, mixed chevots, wool velour, and other suitable fabrics lined with musquash flank, natural brown musquash, and other furs. Fur coats in hard-wearing natural musquash, nutria, and equally lasting furs are also being chosen by women who like a fur coat for motoring. A novelty in motor rugs is an all-wool reversible shawl on which natural opossum is mounted. Motor cushions to match rugs and foot muffs are also available in considerable variety.

The Army and Navy Stores, Victoria Street, have many accessories suited to the motorist. There is a close-fitting toque specially designed for this purpose in douraleur finished with a gilt bow in front and with a lace veil to match fixed to the crown. It is available in golden brown or mole. Motor coats of many kinds are shown, and there is a practical straight coat in natural musquash light in weight and durable at £30 10s. In chrome leather, dark tan shade, there is a useful motor coat lined wool cheek at £6 19s 6d, and a leather cap in a becoming shape costs 20s. Tan Cape motoring gauntlets with strap fasteners are 12s. 6d a pair, and there are attractive artificial silk motor scarves in two-tone fancy stripes that are cosy wear at 12s each.

Modern day tastes would quite rightly be horrified at all that fur, and all this would have been way beyond the means of my family, Dad was born only 6 months before this article appeared but didn't own his first car until not long before I was born in the 50s!

Later in the newsletter, you will find a very interesting article written by one of our newer members, Chris Pecover. Chris and his wife Shirley took their V8 B to the 2024 MG European Event of the Year. I'd like to thank Chris for taking the time to write the article and if any other member would like to write an entry for the newsletter, no matter how short, on something MG they have been doing do email me on kimshros@gmail.com

2025 Charity Donations

At this time of year, we invite member to nominate a local charity to be considered for a small donation from the Club/

Simply drop an email to our Secretary, Richard Cordle, on ZZRJC@hotmail.com giving details of the charity and how a donation would be used if they were successful. Nominations must be with Richard, by the close of the January 2025 monthly meeting.

SOCIAL SCENE

Visit and guided tour of St. Paul's Cathedral

I have yet to hear from guide John Morgan about possible dates for this trip, so will postpone until 2025 as the remainder of the year is busy.

Skittles at Royal British Legion - Saturday 15th March 2025

I have booked Skittles at the Royal British Legion, Limpsfield Chart, with hot and cold supper for Saturday 15th March next year so one for your diaries.

Other events

A member has kindly suggested The Cockney Museum in Stoneleigh as a very interesting venue for a visit. The Museum gives the history of the Pearly Kings and Queens of London and their traditions. Again, another venue for next year.

I am planning on stepping back on my duties as Social Secretary at the end of the year so if any member is interested in taking over do, please, let me or another Committee member know.

Happy socialising, Margaret.

CHAIRMAN'S CHATTERINGS

We received the sad news that three of our members, Tony Jackson, Jim Parkins and Alan Foot, passed away last month. You will see their Obituaries a little later on in this newsletter.

Thanks are due to Malcolm for his MG quiz at the October monthly meeting, with some very high scores from members.

At our meeting this coming Thursday, 7th November, Roger Bennet will be giving a talk on how we kept the Harriers flying in the Falklands War. Not to be missed.

Please have a look at the Dinner Dance page and let Paul know if you wish to attend it in January. It is always a good night with great food and service and dancing to J A Sounds. There is a small increase in the ticket price, but it still offers excellent value for money. Don't forget that we also announce our charity donations to local charities that are proposed by the members at this event and if you would like to nominate a local charity to be considered for a donation from the club, please email [Richard Cordle](mailto:Richard.Cordle@epson.com).

That's all from me this month, keep safe and well. Eric

CAR EVENTS

I know that 11 cars went to the Diamond Riding Centre Autumn Fair on Sunday 29th September and I have had a thank you letter from the Centre asking us back in 2025. Over 3000 people attended, on the day.

Our final Club run of the year, the Annual Autumn Leaves run took place on Sunday 27th October. The 30-mile route started at The Pheasant at Buckland and finished at The Plough at Leigh with a garden centre coffee stop on the way. Some 40 plus members were on the Run, enjoying a lunch at the end.

Here are details of a few more events members may be interested in:

- This month sees the [National Classic Car Show](#) at the Birmingham NEC over the weekend of 8th-10th.
- The [MG and Triumph Spares Day](#) will be on Sunday 9th February at the National Agricultural Centre at Stoneleigh in Warwickshire.
- Our Club Mothballs Run is pencilled in for 19th January and Hunt the Valentine for 16th February.

We are still looking for someone to take over the Committee role of Car Events, if you are interested in giving a small amount of your time to the Club, please let me or any Committee Member know.

Malcolm Childs Membership Secretary

SECRETARY'S SCRIBBLINGS

Dear All

We had a fairly quiet October that started with a quiz on club night, the questions based on 100 years of the MG. I must admit I didn't excel at this, but I was amazed how highly some members scored. Well done to Malcolm for putting it all together.

Linda and I managed to get to the lunchtime natter at the Black Horse in Reigate, the first time I have been there, and it was very enjoyable. We didn't get to the evening natter at The Duke's Head in Tadworth, but did manage to attend the Autumn Leaves Run, our last official run of the year. As always this was very well supported, and we all ended up at The Plough at Leigh for our Sunday roast.

As you will have read in Eric's entry, the club sadly lost three members last month. Linda and I managed to attend Jim's funeral and club members attended both Alan and Tony's funeral. Our thoughts are with their families and loved ones at this sad time.

Our November events start on the 2nd with our darts night in Wallington. 28 members have signed up for this fun night which includes a buffet. Normally a lot of laughs, but don't expect to hear 'one hundred and eighty' called out many times!

Club night features our rearranged talk about The Falklands by Roger Bennett. There are also a couple of natters organised for November, a lunchtime natter at The Royal Oak, North Holmwood on the 21st and an evening natter at The Black Horse, Hookwood on Friday 29th.

Don't forget the Annual Dinner Dance at Kingswood in January. Booking form and menu choices are included in this magazine.

Epsom MGOC need a couple of volunteers, are you willing to help?

We have two vacancies on the committee. Malcolm is currently doing two jobs and would like to reduce his workload to just the Membership Secretary role, so we need someone to take over Car Events. Also, Margaret Billinge is leaving the Committee at the end of the year, and we are also looking for a new Social Secretary. Many thanks must go to Margaret, she has done a magnificent job of organising the social scene over many years.

This would be a great opportunity for you to give back to the Club. Neither role is time-consuming and other Committee members will be only too willing to give you guidance. We hold our monthly Committee meetings at Sutton United on the Wednesday evening of the week following the monthly meeting but there is no need to attend every time if this doesn't fit in. If anyone is interested in joining the rest of the Committee members in making our club as successful as it is, please speak to a one of us, details are on the last page of the newsletter.

Happy Motoring, Richard

Charity Donations

Every year Epsom MGOC makes donations to local charities that are proposed by the members. If any member wishes to nominate a local charity to be considered for a donation from the club, please email [Richard Cordle](mailto:Richard.Cordle@epsommgoc.co.uk), with details of the charity and how a donation would be used if they were successful. You can contact Richard as soon as you like, but by the close of the January monthly meeting at the absolute latest.

NATTERS NEWS

Our Natters in October took place on the 10th and 18th and while they were quieter than earlier in the year, they were still very enjoyable with 7 participants at the Lunchtime Natter at The Black Horse in Reigate and 4 participants at the Evening Natter at The Duke's Head in Tadworth.

In November we have plans for a Lunchtime Natter on Thursday 21st November at The Royal Oak, Chart Lane South, North Holmwood, Surrey RH5 4DJ at 12.30pm

and then

an Evening Natter on Friday 29th November at The Black Horse, Hookwood, Reigate Road, Gatwick RH6 0HU at 7pm.

Both venues have previously received glowing reviews, with The Black Horse also offering an Indian menu as well as a popular English pub menu. I really hope they are deemed acceptable by participants.

Also please don't forget to bring any unpaid £10 deposits for the Christmas Natter on Thursday 19th December at The Star, Kingston Road, Malden Rushett KT22 0DP along with your menu choices for the meal. There are still one or two places available so do let me know if you would like to join us - the menu is attached to the email that sent this newsletter.

I also run our WhatsApp group which members use to keep in touch and to share information or funnies. Members of the group sometimes even meet up for coffee at a local garden centre or cafe. If you want to join the WhatsApp Group, please text me on 07584 575695, giving your name(s) email-address and phone number, and I can add you to the group.

Happy nattering Nige T

2024 MG EUROPEAN EVENT OF THE YEAR by Chris and Shirley Pecover

At the end of July, Shirley and I set off in our MGB V8 Roadster for what we hoped would be an enjoyable trip to Luxembourg to join with a lot of other MG enthusiasts on a special gathering. The event was the “European Event of the Year 2024” held over the 1-4 August in Luxembourg. It was organised by the MG Car Club of Luxembourg, and they made an excellent job of the whole event. With approximately 250 MGs of all types and ages the entry list and full car park, it was an MG enthusiasts dream.

We caught a ferry from Dover the day before the event started and chose a hotel in the southern Champagne region to stay overnight, leaving a pleasant 3-hour drive over lovely non motorway roads to reach our destination just outside the city of Luxembourg. The hotel (Parc Hotel Alvisse) was very large with 360+ rooms, and sufficient car parking space for everyone. The organisers had arranged for overnight security to guard the larger car park which was well received by many of the attendees. A slick checking in process provided us with all the information, vouchers, etc. that we needed for the whole weekend and revealed the capable organising team at their best.

There was plenty of time in the bar to see and chat to some familiar faces as well as getting to know some folk we’d not previously encountered, before the evening buffet meal. As some 500 people were sitting down to eat, it quickly became obvious that the hotel management/staff were more than capable of delivering an excellent meal to all.

The following day saw us all heading off to the local Mondercange Karting Track for a day that optionally offered some karting, a Concours d’etat, a Peoples favourite, Gymkhana, Regularity run, and even a “Rocker Box” race. Lunch was included and served under marquees and the weather was kind enough to let us “do lunch” in pleasant sunshine. A lovely drive back through some beautiful countryside saw us arrive in good time to hunt out a beer or three before dinner. We had never been to Luxembourg before and were beginning to appreciate that whilst the country is quite small, the scenery and roads are very attractive to drive.

The Saturday activity was a choice of runs, either a Short MMM run at 140km or a regular run of 230 km, with a common lunch time halt. Again, the route directions and information provided were very well organised and they managed to ingeniously get 250 cars all parked in the small village (Berdorf) for lunch by utilising every available space. Both runs were very imaginatively planned to take us through some great countryside without leaving the country itself at all.

The gatherings in the bar before the gala dinner were many and very well lubricated, the bar was very busy and managed quite well for most of the time. The Gala dinner was very well attended, and the 3 courses were presented, buffet style at 3 different stations around the huge dining room. A good variety of choices and plenty of wine flowing helped the evening go well. As is often the case we found ourselves chatting to folk from a variety of countries, some of whom we’d met during the Friday activities, the Saturday drive or just in the bars!!

Sunday morning dawned and many people were saying their goodbyes, whilst some of us made our way out to our very wet cars in the rain to drive to a park & ride station which was the start of our tour of the City of Luxembourg itself. A free ride on the modern tram took us into the centre of the city where we rendezvoused with our respective guides, speaking in English, French, Dutch or German languages. A very informative walking tour of the immediate city centre lasted 2 hours and we learned a lot about the history of Luxembourg and its various fortifications and occupiers over the centuries. Thankfully the weather improved, and we enjoyed the afternoon in the city as we dried out!

Back to the hotel and the bar where we again met and chatted with a number of folk who were not leaving until the Monday. We left on the Monday morning to make our way to Bastogne in the Ardenne where the famous “Battle of the Bulge” took place towards the end of the Second World War. A good 4+ hours at the museum held our attention and respect before to moving onto our hotel which was an hour and a half drive away near Rheims.

Fortunately, the weather was kind, even hot, during our last couple of days and we enjoyed a pleasant drive back to Calais to catch our ferry home without incident. Even on the dockside whilst waiting for the ferry, total strangers wanted to talk to us about the car and the event that we’d enjoyed so much.

Even on the dockside whilst waiting for the ferry, total strangers wanted to talk to us about the car and the event that we’d enjoyed so much.

The next MG European event of the Year, in 2025, will be based around Padua in Italy. I don’t know if we’ll join that one yet, because of the distances involved, but it gives us something to think about!??

OBITUARIES

It was with much sadness that we received the news that three of our members had passed away, all within the same week last month. All of them were valued and active members of our Club.

TONY JACKSON

Tony and Mehri became members in July 2007. In the years that passed they supported many of the car and social activities on the annual calendar. These included rambles, monthly meetings, natters, darts nights, overseas short visits the annual Dinner Dance and Surrey Runs. Tony could often be found laughing with his MG friends at our monthly meetings.

JIM PARKINS

Jim and Ivy became members in February 2013 and regularly attended monthly meetings, pub natters, social events including darts nights and overseas visits. They were a chatty couple who soon made friends with other members and very much enjoyed our informal coffee mornings at a local garden centre.

ALAN FOOT

Alan and Noreen became members in December 2017. They followed their son Karl and soon became taken by MGs, in fact Alan had only bought a new MG few days before he passed away. Alan also owned an MG Metro in black and attended many MG events displaying his car and winning trophies. He and Noreen moved to Wellingborough but still attended some Club Stands and the annual Dinner Dance.

Tony, Jim and Alan will all be missed, and we will remember them very fondly.

On behalf of the Epsom Area members, I send Mehri, Ivy, Noreen and their families and friends, our deepest sympathy on your sad loss.

With much affection, Eric

DINNER DANCE & ANNUAL AWARDS

Saturday 25 January

The Dinner Dance and Annual Awards will again be held at the Kingswood Golf and Country Club on Saturday 25th January 2025 at 6.45 for 7.15pm, with carriages at midnight. For new members, we meet in the bar where you can purchase a pre-dinner drink if you wish and order wine to be delivered to your table. We move to the function room for a super 3-course meal and follow this with our awards, a raffle and then dancing to music played by a great DJ.

Paul Coleman will be taking bookings, menu selection and, most importantly, your preferred seating arrangements. Whilst it is possible to have tables to seat 12, it is much more comfortable to keep tables to 8 or 10.
