# EDITOR'S ETCHINGS

Hello everyone

So, one cambelt, one alternator belt, one engine mounting, one CV joint and 700 quid later the TF has a brand-new MOT and is driving beautifully! This combined with my actually being able to see after my lens replacement, means safety is now also covered and I am back behind the wheel! Big shout out to both Russell Walsh and Tom's mate Graham for all their work on the car - if you need to get in touch with either of them let me know!

I really enjoyed the railway talk at the last meeting, who knew there were so many heritage railways in the country. For those of you who missed it, you can find out more [here](#), including a fascinating and helpful map - Tom and I are now going to attempt to tick them all off in our retirement! This is the third talk I have attended from Paul Whittle having seen him at our local WI and at my Garden Society. Paul offers lots of talks for a small fee which he donates to the charities he supports. You can check them out on his website [here](#) and I highly recommend him as a speaker.

I can't be at this month's meeting as we are off up to the freezing north - Tom's home part of Scotland for a wedding. For those of you who knew Gordy, it's his sister who is getting married and I shall see him and his family, and I am sure he will want to be updated on Club life.

Kim

## MEMBERS ONLY FACEBOOK GROUP

We now have a private Facebook group which is restricted to members of the Club. Feel free to post thoughts, requests, photos and anything else you think might be of interest. To join the group, [click here](#) and let [Kim](#) know if you have any problems joining the group

# CHAIRMAN'S CHATTERINGS

Doreen was diagnosed with Vascular Dementia in 2020, and her illness now requires specialist care. It is therefore, with heavy heart, that Julie, Lynn and myself took Doreen to Lavender Oaks Care Home on Tuesday 18<sup>th</sup> March where she will receive the appropriate care for the foreseeable future.

I wish to thank all those members who asked after Doreen's health on a regular basis and sent her their best wishes. The care home is just behind the Diamond Riding Centre so I will be a regular visitor and hope to attend more Club events in the future.

That's all from me this month keep well and safe. Eric

# SOCIAL SCENE

**Sunday 29th June** - Visit to and tours of Farleys House and Gallery, Muddles Green, Chiddingly, East Sussex BN8 6HW, provisional tours booked for 2.0pm and 2.30pm. Cost approx £25. Farleys House was the former home of the famous American World War II photographer and correspondent Lee Miller and her husband Richard Penrose. Lee died there in 1977 and her husband in 1984. The organiser with whom I was speaking has now left so I plan to go and meet her replacement shortly to finalise this visit. To find out more about Farleys House [click here](#)

**Saturday 1st November** - Darts Night with ham and/or cheese Ploughman's at Wallington Bowling Club, cost TBA

I have yet to hear back from Guides Marion and John about the proposed London visits.

Finally, I would like to give my thanks to Kevin, Malcolm and Marlene for their help with the Skittles evening. Kevin has summarised the scores later in this newsletter - congratulations to the winners.

Happy socialising, Margaret

# CLUB STAND

We are hoping that this summer will include lots of MG events and Club Stands.

**Victor Seymour School Club Stand Saturday 17 May** - Bryan Young has booked ten places so if you would like to attend, please let him or myself know - there are still places but don't miss out. My details can be found [here](#).

**Cranleigh Classic Car Show Sunday 10 August** –booking is now open for this show. You need to book tickets on their website and let me know if you are coming so I can add you to the space reserved for our Club Stand.

The tickets for club cars are £15 each if you book in advance but they go up to £30 if bought on the day. Tickets have to be booked via Eventbrite by following these steps:

- [Click here](#) for the booking site and click **Get tickets** on the right

# MEMBERSHIP MUSINGS

Following my emailing those members who had not paid for 2025 last month, I am delighted to report that our membership has now risen to 95 paid for 2025, plus 26 Life Members. My thanks to all those who responded to my emails and letters and welcome back!

In the last 2 months we have been delighted to welcome:

David and Heather Hempsted from Kingswood, owners of a MG TF 1500 from 1954 in Old English White and excellent order.

Mick Breare and Jo Birkbeck from Chaldon who have a Red MGC GT from 1968 in excellent order, plus a MG YB saloon from 1953 in black and very good condition. In addition, they have a 1963 DKW Saloon in good order.

Welcome to you all.

With the 3 MG Motors dealerships: Dees of Croydon, Wilsons of Epsom and the Richmond Group at Guildford, having leaflets, using a double-sided sheet explaining the Club and providing a membership form, we hope that we will gain further new members from more modern MGs in the year ahead. With a fee of only £10 per annum we remain a great club to join.

Malcolm

# SECRETARY'S SCRIBBLINGS

Dear All

I have very little to write about this month. The members who attended club night in March enjoyed an excellent guest speaker, Paul Whittle talking about Heritage Railways. He was a really good speaker who knew his subject.

With no car events in the month, the other big event was our annual skittles night at the Royal British Legion. 36 members attended to play skittles and enjoy an evening supper. You'll find a report from Kevin Watson below.

Club night in April is a video evening and, although we have no club events in April, Drive it Day is on the 27<sup>th</sup> so get your car out for a run. If you want to make a day of it MGSECC are doing a run to Pashley Manor on the day.

Nigel Taylor has been unwell, so coffee morning and natters are not currently happening, but we all wish Nigel a quick recovery.

The Cordles' Run will be on Sunday 17<sup>th</sup> August. We have a venue and just need to pay a visit before we confirm, hopefully by club night.

Happy Motoring, Richard

## SKITTLES NIGHT REPORT BY KEVIN WATSON

35 players attended for an evening of "organised demolition". With my laptop looking after the scoring, all proceeded smoothly with the standings tables updating as each new score was entered. With more players than normal, there was only time for 4 games for each player. A break halfway was taken for a very welcome buffet. All of the final tables were quite close, with placings separated by no more than three points. Here are the scoring highlights:

Highest Player Game Score		
1 =	Malcolm	9
1=	Kevin	9
1=	Leslie	9
4=	12 players	8

Highest Team Game Score			
1	Mavericks	34	Richard's team
2	Team G	33	Ian's team
3	Clueless	32	Malcolm's team

Highest Player Match Score		
1	Leslie*	28
2	Derek	27
3=	Kevin	25
3=	Mary*	25

Highest Team Match Score			
1	Team G*	110	Ian's team
2	Underdogs	109	Derek's team
3=	Clueless	108	Malcolm's team
3-	Dream Team	108	Simon's team

\* = prizes awarded

The dubious honour of the Wooden Spoon went to Lesley with Lowest Match Score of 13.

# CAR EVENTS

21 February 2025

Dear Alison and the Epsom Area MG Owner's Club

The time has come for me to thank you for supporting Princess Alice Hospice and fundraising an incredible £400.00 in memory of Gary and in support of Sandra. We are so grateful to the family and friends who return to help our Hospice so that we can continue to support other families in the future. Our patients deserve to receive the highest possible quality of care and to be made to feel as comfortable as possible; your help ensures that we can make this happen.

To give you some examples of how the £400 could be spent. It could pay for:

- 4 visits to a patient at home by a Princess Alice Nurse;
- The cost of enabling 14 families to attend a Dove-tail bereavement group meeting; or
- 17 hours of a complementary therapist.

I would be grateful if you could share our thanks with all those involved with this donation.

It costs us £11.5 million each year to provide free, high-quality care. Funding provided by Clinical Commissioning Groups represents circa 24% of our expenditure on charitable activities. In more normal times the balance is raised through legacies, fundraising, dedicated shop units, investments and the generous support of our communities. It is only the support of our community and beyond, that makes it possible to do our work.

But we believe that hospice care is for living, so our holistic approach means we focus on helping people live the rest of their days well, for however long or short a time that may be. Our youngest patient was just 19 and our oldest was 107. We are a community of compassion and base our care around the needs, wants and wishes of each individual, whether managing their symptoms or supporting their physical, emotional, social and spiritual needs, while also supporting their families before, during and after the death of their loved one. It is only the support of our community and beyond, that makes it possible to do our work. This money will help us to continue to provide outstanding healthcare, advice, and comfort to our patients and allow us to support their families at this difficult time. Thank you from the patients, their families, the volunteers and the staff here.

With very best wishes  
Willow Tilling

## FREE!

I am a former member of the MGOC when I owned a 1968 MGB GT for fifteen years until about six years ago when I sold it at auction. I have a number of parts relating to this car which should have gone with the car but the dealer who bought it wasn't interested. Since then, they have languished in my garage, but they must go now as I am moving house soon.

The parts include original prop-shaft (refurbished) to fit cars with overdrive, the original exhaust manifold stamped MG which I replaced with a three-branch manifold, throttle pedal, and other bits and pieces. Free to anyone who would like to collect from me in Thames Ditton.
