EDITOR'S ETCHINGS

Hello everyone

Another great day was had by all at the Surrey Run, I always like to see enthusiastic youngsters coming through the start banner, it's great to know it's not only us oldies with an interest in classic cars. It was marvellous to be greeted at the start by a welcome guard of Kielys and Barrons and well done to everyone who helped and especially to Nigel Swann for his, as ever, amazing organisation of the event. Photo requests are flooding in and don't forget you can save a whole English pound by ordering from me and having it delivered at a monthly meeting!

It's a busy month this week and Tom and I and Team Teddy are looking forward to the BBQ on Sunday 4th. I will try and get my big Jenga in the car and bring that along! We're also planning on attending Cranleigh and, of course, the amazing Cordles' Run to the Wings Museum which looks fantastic. Hope to see you all at one or all of the August events.

Kim

SOCIAL SCENE

Saturday 2nd November - Darts Night at Wallington Bowling Club, 13 Grosvenor Road, Wallington SM6 0EN

Cost per head is £8 and there is a maximum number of places of 30. You may [contact me](#) if desired as I am not able to come to the August meeting if you would like your name to be added to the list.

Future event

Happy socialising, Margaret.

CHAIRMAN'S CHATTERINGS

I continue to recover from surgery and am doing well. Thank you again to those of you who have passed on their good wishes, and I hope to see you all during the summer.

Keep well and keep safe. Eric

MEMBERSHIP MUSINGS

Membership for 2024 has now reached 104 paid- up members for 2024, adding our 26 Life Memberships the Club remains in a very healthy position and long may that continue.

We welcomed Michael and Jane Llewellyn-Eaton from Carshalton, as new members last month and they have a Copperleaf MGF1.8i from 2001 in good condition.

With our cost remaining a highly attractive £10 for annual membership, please spread the word about joining Epsom Area MGOC, wherever you can.

Unfortunately, I will not be at either the August or September Club Nights but look forward to seeing members at our "Centenary MG Quiz" on October Club Night.

CAR EVENTS

July was an important month for our Club with our Pride of Ownership Club Night on Thursday 4th at Gander Green Lane and The Surrey Run on Sunday 14th July.

Pride of Ownership saw 22 cars turning up to be judged by members. Thank you to both those who brought cars and for those members who did the judging. The results will be announced at the August Club Night and details will be in the September newsletter.

Our Surrey Run on the 14th enjoyed good weather and a good turnout, but with the problems on the M25 and A24 traffic was heavy on the first part of the Run. Thanks to all of those members who took part or helped. Well done Nigel Swann and his expert team of helpers!

August sees three busy weekends with the Club barbeque at Gatwick Aircraft Museum on Sunday 4th where members can turn up on the day and pay £10 to attend.

On Sunday 11th, some members will be on display at Cranleigh Car Show. Sunday 18th will see our Cordles' Run, there is no charge to members for the run itself and Richard is negotiating a discount on entry to the museum itself - full details are elsewhere in this newsletter.

At the beginning of September, on Sunday 1st, there is the South Downs Run, details can be found on the West Sussex MGOC website [by clicking here](#). We always see a number of members on this enjoyable Run alongside the South Downs.

Hopefully, my article for the MG Owners Club magazine "Enjoying MG" about The Brooklands Centenary Event should have appeared in the August copy.

I hope those members going to The Isle of Wight enjoy their trip in early September.

Our Annual Autumn Leaves Run will be on Sunday 27th October.

Do check our "Club Stand" report for further information on our Club Stands in 2024.

The day will kick off at 12 noon with Chernobyl due to be ready to cook at around 1pm. BRING YOUR OWN BBQ ITEMS or a picnic if so desired. You may arrive any time from museum opening time at 10am. Due to the fact we are required to hire the field there will be a charge of £5 per person to attend. You can visit the Museum interior while you are there, see Paul on the day for any charges around this. This will be a great fun and you can just turn up on the day or, if you know you are attending, let Paul know on the above email or by phone, his details are here.

11 August - Cranleigh Car Show.

Pre-booking is now closed for Cranleigh but you can still book if you wish to go, [click this link](#) and choose the Fast Track Public Booking. Looking forward to seeing lots of members at Club Stands through the summer, Paul

SECRETARY'S SCRIBBLINGS

Dear All

The last day of June saw several of the members travel up to the Peacock in Henton for Sunday lunch, then enjoying desserts and a few games at the delightful home of John and Alexis. This has become an annual event and always an enjoyable day out. Thanks to John and Alexis for organising and hosting us.

July started with the 'Pride of Ownership' at our club night. A great turn out of MGs, both old and new. It is always very difficult to pick a favourite, but a winner was decided on by the members, and will be announced at the August club night.

Our biggest event of the year, The Surrey Run, was another great success. It will be reported elsewhere, but thanks to Nigel Swan and his team for another very successful day.

Linda and I are away for the next club night, so will miss socialising with you all. We will also be disappointed to miss the chance to attend what is our now annual Club BBQ at Gatwick (booking with Paul Coleman is good but you can just turn up on the day - details are under Club Stand). However, we will be back for our run on the 18th, which will finish at The Wings Museum at Balcombe. Full details of this run are elsewhere in the newsletter.

I had a strange quirk with the MG3 a couple of weeks ago. I came out to start the car and the battery was completely dead, I couldn't even open the door with the remote it was so flat. I had used the car the previous day, so couldn't understand why. The car had a new battery, supplied and fitted by the RAC in January, so I called them out. After jump starting the car, he ran all the normal checks on the battery and alternator etc but could find nothing wrong. As the lights are all automatic, so couldn't have been left on, he felt there must have been a fault draining the battery. He sent me to a car electrics specialist at Morden, who kept the car overnight, did all the checks, but said there was nothing wrong at all, and no power drain. Everything has been fine since, so I am keeping my fingers crossed it will not happen again. Another concern that came out of this was Epsom MG (Wilsons in Kiln Lane). I rang them originally and was told they wouldn't even be able to look at it until the 28th August as they only had one MG mechanic, which makes calling them in the future a complete waste of time.

Another surprise this week was Linda got a letter and cheque from Lancaster's Insurance as she had been overcharged for the last two years, and they are repaying a small amount. Another friend of mine who also uses Lancaster has also received a refund, so I assume quite a few people have.

Happy Motoring, Richard

THE 21st CORDLES' RUN

Sunday 18th August

On Sunday 18th August, the 21st annual **Cordles' Run** will follow a fairly short route leading you through the lanes of Surrey and Sussex ending up at the [Wings Museum](http://www.wingsmuseum.co.uk) near Balcombe in Sussex.

There will be our regular fun quiz for you to complete enroute if you so wish and, on arrival, there is a large grass overflow car park where we can have our traditional picnic. There are no cafe facilities at the museum, although it is possible to get a tea or coffee so ideal for a picnic.

The Wings Museum was founded by brothers Daniel and Kevin Hunt, with the support of their father, Brian. Dan and Kevin shared a lifelong passion for warbirds, and it was their dream to establish a museum of remembrance to pay tribute to those brave servicemen and servicewomen who gave so much for our future. What started as a family interest spread rapidly as like-minded enthusiasts were attracted to the museum. The museum is now a registered charity affiliated to the RAF Association at Haywards Heath.

The unique museum is brought to life by the sounds and music of the times – visitors will be taken back to the 1940s and get a taste of life during those turbulent times - a fascinating insight into life during World War II. Every artefact and item of memorabilia tells its own unique story.

Take a step back in time and walk inside a C-47 Dakota, and experience what it would have been like as a paratrooper on D-Day, complete with sound and images.

Step inside a real Anderson Shelter and listen to the sounds of The Blitz and see an original Morrison Shelter which actually saw use during the blitz of London.

We hope you will be able to join us

The starting point of the run this year is again at The Pheasant, Reigate Rd, Betchworth RH3 7BG. Toilets, coffee and refreshments are available at the pub. Cars will leave the pub from 10.30 am onwards (please note the pub doesn't open until 10 am)

There is no charge for the run itself. Should you wish to visit the museum, there is an admission charge, however, we are hoping to get a reduction on this. Just speak to Richard either at the start or the finish.

NATTERS NEWS

Following our Club Night on Thursday 4th July, where we enjoyed another annual Pride of Ownership competition at Sutton United Football Club, we then enjoyed another brilliantly organised and planned Surrey Run on Sunday 14th. This was followed by another Lunchtime Natter at The Pheasant in Buckland on Thursday 18th which, owing to much reduced participant numbers caused by roadworks on and around the A24, resulted in an attendance of only 4 of us. However, as usual we all had an excellent meal and get-together. We also had an Evening Natter, on Thursday 25th July, at The Fox & Hounds in Walton-on-the-Hill

We now move onwards into August for:

A Lunchtime Natter at The Onslow Arms, West Clandon, GU4 7TE on Thursday 8th August from 12.30pm,
and

An Evening Natter at The Black Horse, 93 West Street Reigate RH2 9JZ on Friday 23rd August, at the earlier time of 6.30pm, (rather than their other available timeslot of 7.45pm).

Both of these venues have been voted Most Enjoyable, based on Ambience, Food and Service on recent visits.

I also run our WhatsApp group which members use to keep in touch and to share information or funnies. Members of the group sometimes even meet up for coffee at a local garden centre or cafe. If you want to join the WhatsApp Group, please text me on 07584 575695, giving your name(s) email-address and phone number, and I can add you to the group.

Happy nattering Nige T

SURREY RUN

As many of you know our annual charity fundraising event took place on Sunday July 14th. Origins of the Surrey Run can be traced back over 35 years to the days of the MG "Southern National" hosted by the Epsom Area and held in the Leatherhead Leisure Centre grounds each July. This action-packed weekend dedicated Saturday to inter-Club activities including a 40-mile road run for a few cars through the picturesque Surrey countryside. In 2001 when the total weekend undertaking became financially unviable, we decided to cultivate the run as a standalone event. This has proved very popular and well supported and, over many years, has enabled us to continue our charity fundraising activities.

This year, for SURREY RUN 2024, our route was from Bocketts Farm to the Rural Life Living Museum near Farnham. With about 165 cars pre-registered, on the day we had a good turnout despite being plagued with road closures at the A3 Cobham/M25 junction and a diesel spillage near to our start area. The actual route was not affected by these closures, but getting to and from the event did need some consideration.

As usual, we were set up and operational at Bocketts Farm ready to receive the participants by about 8.30 as the MGs started streaming in to sign on. The registration gazebos and parking marshals were kept busy until about midday when we decided that everyone taking part had arrived. Following a visit to the farm for the usual comfort break and temptation of a bacon butty, each car was photographed under the start banner before being waved off at the start of their 60-mile journey. The weather was set fair for the whole day and our planned route from Bocketts turned away from the immediate traffic issues, travelling along leafy lanes and passing through many of the picturesque villages of the Surrey countryside.

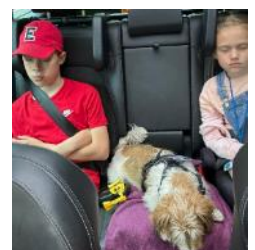

Following a journey time of about two and a half hours, and a left turn off Reeds Road, Tilford, into the Rural Life Living Museum, each car was then welcomed by our team of marshals. The cars were all parked within the museum complex providing an amazing display for all the other visitors to admire. These cars included a YB saloon, a variety of early T types, the famous Magnette, MGAs and a range of Midgets. Following into the 1970s, the MGB is still the most popular with over 74 entries. This record is followed by the modern MGFs and TFs. It is also noticeable that these ranks are being joined by the present MG examples with some cars just a few months old. On arrival, many participants immediately unpacked their picnic lunch before exploring the wide array of historic buildings containing over 40 thousand artifacts of country life from way back in the 1800s. There was certainly plenty to see, spending the afternoon relaxing and absorbing the atmosphere of a bygone age.

At the start of the run, each driver was given a prize draw ticket containing their unique run number to be handed in as they passed the finish line. When everyone had arrived, Rob Bentley, representing the Rural Life Living Museum announced the selection of winners. Three tickets were randomly chosen as follows; Galyna Bogutska, entry number 65, won first prize - a voucher for £25, Stuart Mason, entry number 3, won second prize - a voucher for £15, and Patrick O' Sullivan, entry number 93, won third prize - a voucher for £10.

This event would not be possible without the Owners' Club at HQ's continued support, and I would like to thank them and Bocketts Farm, together with the Rural Life Living Museum, for hosting the start and end venues. I would personally like to take this opportunity to also thank all those involved in the planning and implementation of this event and all of you who registered to take part. If you require any information regarding the photos, please contact [Kim](#).

It was a full and enjoyable day with some falling asleep on the way home! From the comments and feedback that I have had so far it seems to have been a great success and I am confident that we will be able to match previous sums raised once again for this year. I am sure we all had a great day.

Nigel
